RE: Request of LIGA Telecom, Inc. and Yaroslav Donchenko for Special Temporary Authority to Permit LIGA Telecom, Inc. to Continue Operating Pending the Approval of a Domestic and International Transfer of Control Application; WC Docket No. 13-125

Dear Ms. Dortch:

LIGA Telecom, Inc. ("LIGA Telecom") and Mr. Yaroslav Donchenko (collectively the "Applicants"), through undersigned counsel and pursuant to Section 214 of the Communications Act, as amended, 47 U.S.C. § 214, and Sections 63.04 and 63.24 of the Commission's Rules, 47 C.F.R. §§ 63.04, 63.24, respectfully request Special Temporary Authority ("STA") to allow LIGA Telecom to continue to provide service to customers pending Commission approval of the parties' Application for consent to transfer control of LIGA Telecom from Mr. Dmytro Artemenko to Mr. Donchenko. A copy of the Transfer of Control Application is attached hereto. Because LIGA Telecom is already providing service to customers, the Applicants respectfully request that the Commission grant this STA request as soon as possible.

As discussed in the Transfer of Control Application, LIGA Telecom is a holder of domestic 214 "blanket" authorization and an international 214 authorization.¹ On November 17, 2012, 100 percent ownership of LIGA Telecom was transferred from Mr. Artemenko to Mr. Donchenko.² Applicants' failure to obtain Commission approval for the transfer of control was inadvertent. Applicants were not aware of their obligation under the Communications Act and the Commission's rules to obtain approval for the proposed Transaction until consulting with FCC Counsel. The Applicants have been forthcoming about the facts of this transaction, and regret any inconvenience this filing may cause the Commission or its staff.

¹ On October 25, 2012, LIGA Telecom received a Section 214 authorization for authority to operate to provide global or limited global resale service. ITC-214-20120514-00126.

² After the November 17, 2012 transaction, Mr. Artemenko severed all contact with LIGA Telecom management and declined to respond to requests to serve as a named party to an application to transfer control of LIGA Telecom to Mr. Donchenko. As a result, LIGA Telecom is serving as the named party to the Transfer of Control Application in place of Mr. Artemenko, and is making this Request for Special Temporary Authority on its own behalf.

Grant of this STA request will serve the public interest. It will allow LIGA Telecom to provide uninterrupted telecommunications services to its customers, and, as described more fully in the transfer of control application, allowing LIGA Telecom to continue operations under new ownership will promote competition in the domestic and international communications services marketplace.

The Applicants acknowledge that grant of this STA request will not prejudice any action the Commission might take on the Transfer of Control Application, and the STA may be revoked by the Commission on its own motion and without a hearing. Applicants further acknowledge that grant of this STA request and the Transfer of Control Application will not preclude enforcement action.

Please contact the undersigned at (703) 714-1317 if you have any questions or require additional information.

Respectfully Submitted,

I. INTRODUCTION

LIGA Telecom, Inc. ("Transferor" or "LIGA Telecom") and Mr. Yaroslav Donchenko ("Transferee") (collectively "Applicants"), by undersigned counsel, pursuant to Section 214 of the Communications Act of 1934, as amended (the "Act"),¹ and Sections 63.03, 63.04, 63.12, 63.18 and 63.24 of the Federal Communications Commission's ("Commission") Rules,² hereby request Commission approval or such authority as may be necessary or required, to transfer direct control of LIGA Telecom from the former owner, Mr. Dmytro Artemenko to Mr. Donchenko (the "Transaction"). LIGA Telecom is a holder of a domestic 214 "blanket" authorization and an international 214 authorization.³ On November 17, 2012, 100 percent

¹ 47 U.S.C. § 214.

² 47 C.F.R. §§ 63.03, 63.04, 63.12, 63.18, 63.24.

³ On October 25, 2012, LIGA Telecom received a Section 214 authorization for authority to operate to provide global or limited global resale service. ITC-214-20120514-00126.

ownership of LIGA Telecom was transferred from Mr. Artemenko to Mr. Donchenko.⁴ Applicants' failure to obtain Commission approval for the transfer of control was inadvertent. Applicants were not aware of their obligation under the Communications Act and the Commission's rules to obtain approval for the Transaction until consulting with FCC Counsel, and very much regret any inconvenience this filing may cause the Commission or its staff. By a separate filing, attached hereto as Exhibit C, Applicants are requesting Special Temporary Authority ("STA") to allow LIGA Telecom to continue providing service to customers while the Commission considers this Application.

Request for Streamlined Treatment

The Applicants respectfully request streamlined treatment of this Application pursuant to Sections 63.03 and 63.12. This Application is eligible for streamlined treatment under Section 63.03(b)(1)(i) because (1) Applicants have substantially less than a 10 percent share of the interstate, interexchange market, and will be providing competitive services in areas served by a dominant local carrier not a party to the Transaction, and (2) Applicants are not dominant with respect to any domestic service. This Application also qualifies for streamlined treatment under Section 63.12 because the Applicants are not affiliated with a foreign carrier or with a dominant U.S. carrier whose services Applicants may resell.

Applicants provide below the information required by Section 63.04, for the domestic transfer of control, and Sections 63.24(e) and 63.18, for the international transfer of control.

II. DESCRIPTION OF THE PARTIES

LIGA Telecom is a corporation organized under the laws of the state of Delaware. Its

⁴ As explained in the attached Affidavit of Mr. Razvan Radu, Vice President of Carrier Relations of LIGA Telecom, after transferring ownership of LIGA Telecom to Mr. Donchenko, Mr. Artemenko severed all contacts with Mr. Donchenko and LIGA Telecom executives, and failed to respond to all requests to serve as a named party to an application seeking FCC approval to transfer control of LIGA Telecom to Mr. Donchenko. As a result, LIGA Telecom is serving as a party to this Application in place of Mr. Artemenko.

principal offices are located at 77 Water Street, 7th Floor, New York, New York, 10005. LIGA Telecom holds blanket Section 214 authority to provide domestic telecommunications services and International Section 214 authority to provide global or limited global resale service.⁵ The former 100 percent owner of LIGA Telecom was Mr. Artemenko, a citizen of Ukraine. Transferee, a citizen of Ukraine, is the 100 percent owner of the equity interests of LIGA Telecom.

III. DESCRIPTION OF THE TRANSACTION

Pursuant to the terms of a stock purchase agreement, Transferee purchased 100 percent of the equity interests of LIGA Telecom. For the Commission's convenience, pre- and post-closing organization charts are attached as **Exhibit A**. The transfer of control of LIGA Telecom involved no disruption or impairment of services to customers, the facilities used to provide such services, or the rates, terms and conditions of such services. All existing contracts and procedures of LIGA Telecom remain in place after the Transaction. Although the Transaction resulted in a change in the control of LIGA Telecom, no assignment of authorizations, assets or customers occurred as a result. LIGA Telecom continues to provide service to existing customers under the same rates, terms and conditions.

IV. PUBLIC INTEREST STATEMENT

The Transaction as described herein will serve the public interest. The Transaction will have no adverse impact on LIGA Telecom's existing customers. Following the Transaction, LIGA Telecom continues to provide the same range of high-quality communications services to its customers. Furthermore, LIGA Telecom's management team remained intact and continues to manage the day-to-day operations of the Company. Any future changes to the rates, terms and conditions of service will be made consistent with Commission rules and regulations.

⁵ ITC-214-20120514-00126.

The Transaction does not present any anticompetitive concerns. The Transaction did not result in a change of carrier for customers or any assignment of authorizations. Further, this Application's eligibility for streamlined processing demonstrates that the Transaction does not raise anticompetitive concerns for the Commission.⁶ Because the international call termination market is highly concentrated, approval of the Transaction will have no adverse impact on competition. Indeed, the Transaction improved Transferor's financial stability, thus improving its ability to compete in existing and new telecommunications markets. Additionally, no existing or potential competitors were eliminated as a result of the Transaction. The Transaction thereby preserved and enhanced competition, thus furthering the Commission's policies favoring increased competition and greater diversity and quality of services.

V. INFORMATION REQUIRED BY SECTION 63.24(e)

Pursuant to Section 63.24(e)(2) of the Commission's Rules, the Applicants submit the following information requested in Section 63.18(a)-(d) and (h)-(p) in support of this Application:

RE: Request of LIGA Telecom, Inc. and Yaroslav Donchenko for Special Temporary Authority to Permit LIGA Telecom, Inc. to Continue Operating Pending the Approval of a Domestic and International Transfer of Control Application; WC Docket No. 13-125

Dear Ms. Dortch:

LIGA Telecom, Inc. ("LIGA Telecom") and Mr. Yaroslav Donchenko (collectively the "Applicants"), through undersigned counsel and pursuant to Section 214 of the Communications Act, as amended, 47 U.S.C. § 214, and Sections 63.04 and 63.24 of the Commission's Rules, 47 C.F.R. §§ 63.04, 63.24, respectfully request Special Temporary Authority ("STA") to allow LIGA Telecom to continue to provide service to customers pending Commission approval of the parties' Application for consent to transfer control of LIGA Telecom from Mr. Dmytro Artemenko to Mr. Donchenko. A copy of the Transfer of Control Application is attached hereto. Because LIGA Telecom is already providing service to customers, the Applicants respectfully request that the Commission grant this STA request as soon as possible.

As discussed in the Transfer of Control Application, LIGA Telecom is a holder of domestic 214 "blanket" authorization and an international 214 authorization.¹ On November 17, 2012, 100 percent ownership of LIGA Telecom was transferred from Mr. Artemenko to Mr. Donchenko.² Applicants' failure to obtain Commission approval for the transfer of control was inadvertent. Applicants were not aware of their obligation under the Communications Act and the Commission's rules to obtain approval for the proposed Transaction until consulting with FCC Counsel. The Applicants have been forthcoming about the facts of this transaction, and regret any inconvenience this filing may cause the Commission or its staff.

¹ On October 25, 2012, LIGA Telecom received a Section 214 authorization for authority to operate to provide global or limited global resale service. ITC-214-20120514-00126.

² After the November 17, 2012 transaction, Mr. Artemenko severed all contact with LIGA Telecom management and declined to respond to requests to serve as a named party to an application to transfer control of LIGA Telecom to Mr. Donchenko. As a result, LIGA Telecom is serving as the named party to the Transfer of Control Application in place of Mr. Artemenko, and is making this Request for Special Temporary Authority on its own behalf.

Grant of this STA request will serve the public interest. It will allow LIGA Telecom to provide uninterrupted telecommunications services to its customers, and, as described more fully in the transfer of control application, allowing LIGA Telecom to continue operations under new ownership will promote competition in the domestic and international communications services marketplace.

The Applicants acknowledge that grant of this STA request will not prejudice any action the Commission might take on the Transfer of Control Application, and the STA may be revoked by the Commission on its own motion and without a hearing.
